

Aileen Crossin
CPNI Board Member

Why did you decide to become a CPNI Board member?

I was co-opted onto the Board of Pharmaceutical Contractors Committee (now known as CPNI) in 1994 to represent single, independent pharmacies.

Which areas do you represent?

I represent the Belfast and South Eastern LCG area. I am also the elected ICP Pharmacist for North Belfast.

Do you have any pharmacy specialist interests?

The legal side of pharmacy and pharmacy legislation is of great interest. I represent CPNI on various committees including National Appeal Panels, Pharmacy Practice Committee, Regional Professional Panel, Out Of Hours/Rota and Compliance Groups.

Our pharmacy has been involved with Building Community Pharmacy Partnerships (BCPP) over the last eight years and has developed many links with local communities. Local projects have involved medicines management, drug and alcohol misuse, mental health issues and promotion of healthy lifestyle choices. With our involvement with Action Mental Health and BCPP, we support those returning to work by providing work experience within our pharmacy.

What do you like to do in your spare time?

Running a busy pharmacy and family commitments tends to leave little spare time! I enjoy walking my dogs, cycling and catching up with friends over the weekends. I am also a keen traveller and enjoy exploring both local and further afield locations.
